**CASE NO. 8:15CR24**

**TENTATIVE FINDINGS**

The Court has received the Revised Presentence Investigation Report and Addendum ("PSR"). The government adopted the PSR (Filing No. 38). The Defendant has filed a response and request for hearing (Filing No. 39) regarding the government's Notice of Information to Establish Prior Convictions (Filing No. 19). See Order on Sentencing Schedule, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

Accordingly,

IT IS ORDERED:

1. The Defendant's Response to Information to Establish Prior Convictions and Request for Hearing (Filing No. 39) will be addressed at the time of the sentencing hearing;
2. The Court intends to adopt the PSR in all others aspects at the time of sentencing;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the

submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these tentative findings are final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 9<sup>th</sup> day of December, 2015.
